

Terms and Conditions

Health and Safety:

Safety of all Artytime's Messy Mob participants is paramount. Your child(ren) remain your responsibility while at an Artytime Messy Mob session and must be supervised throughout (if you leave the room for any reason, please take your child with you).

We politely ask that participants do not attend if their child is suffering from a contagious illness.

Whilst we endeavour to clear all spillages as soon as they have occurred, some of the materials can cause the play area to become slippery so please, NO running. All materials are made in the knowledge that they are to be played with under a parent / carer's supervision. We advise that participants bring shoes such as crocs to wear. We appreciate your help in trying to avoid unnecessary or intentional pouring of materials outside of their immediate play areas so that everyone enjoys the experience.

Artytime accepts no liability or responsibility for any belongings including clothes that are stained, marked or damaged. Please note that the paint may stain.

The materials used in our Messy Mob sessions are all sourced from trusted suppliers / high street retailers / well known supermarkets. These are provided in the knowledge that parents and carers supervise the children while they play with them. Whilst all the materials we use are non-toxic, we'd rather the children refrained from eating them.

Payment

Due to venue hire charges, preparation and material costs, payments are non-refundable.

Attendance

Please sign in to the event upon arrival. Please notify your Session Leader as soon as possible if you aren't able to attend a session that you have booked on to. Please sign out of the session if you leave early.

Cancellations

Artytime reserves the right to cancel a Messy Mob session in circumstances beyond our control (i.e. adverse weather conditions, closure of venue, staff illness) although we will endeavour to run catch up sessions. If Artytime is unable to offer a catch up session then refunds will be given. If you have any further queries, please contact your Session Leader.

Photo Consent

Artytime Session Leaders may take photographs or video clips at sessions. This footage may be used on the website, Facebook pages and marketing materials. If you do not wish to have your child's photograph taken, please state this on your booking form and also let your leader know when you sign in at the session.
